A slightly spooky walk in the forest!

Join us on a 1-hour, 1/2-mile, silly and slightly haunting night hike through the deep, dark forest and hear the haunted tale of Big Basin's last lumber mill owner and his disastrous encounter with a [grizzly bear](#)!

Registration starts at 6:30 p.m.

Tours leave every 15 minutes.

This story is in the spirit of ghost stories told around a campfire, but it's not too spooky for children.

Day use visitors must pay the \$10.00 parking fee.

There is no charge for the tour.
